The Herald Trophy

This photo by Homer McLane shows the Herald football trophy to be awarded winner in District 21-A. The trophy is on display in the show window at the Texas Power & Light Co. Originally purchased during the war, delivery was delayed due to shortage of metals necessary to produce it.

Crop Insurance For 1950 In Milam County Announced

It has been announced that Milam County will have a 1950 Cotton Crop Insurance Program. Another milestone was passed in the development of a sound all-risk Federal Crop Insurance Program recently when President Truman signed into law legislation authorizing expansion in the number of counties in which the protection may be offered. Under the amended legislation, a 50 percent increase is authorized each year for 1950, 1951, 1952 and 1953 over the number of counties in which the Federal Crop Insurance Corporation was authorized to operate in 1948 and 1949. During these years the program was limited to 56 cotton counties. The program has now been developed to a point where in effect it operates as a county mutual crop insurance plan with each county determining through its own experience cost protection to its farmers. As soon as more details are available they will be furnished Producers, as stated by Alva E. Sanders, Secretary of the Milam County PMA.

Band Mascot

DAVID HUDSON

In this striking pose is his honor, David, from the House of Hudson, now ruling somewhat over the destinies of the Yoe High School Band. He was elected Mascot of the band in a popular poll and from a large number of contestants. David is 5 years old and may be seen every football night pacing the band down the field and in tow by the Band Sweetheart, Miss Billie Lunsford. He is the son of Mr. and Mrs. C. W. Hudson.

Cotton Quota Vote Not Scheduled For November 17; Error In Printing Story

The election scheduled for November 17 by the Production Marketing Association will have no bearing on the cotton quotas for 1950. This newspaper printed an erroneous interpretation of a bulletin mailed out to farmers by Alva E. Sanders, Secretary of the PMA in the county. The election on November 17 will name committeemen from the various communities to make up the county organization. The election to determine the cotton quota for 1950 will be held in December and more will be printed later about that important ballot among the farmers.

Rockdale Victim of Knife Attack Is Now Improving

ROCKDALE, Oct. 26—Wayne Lawrence, who was injured critically in a fight Saturday night, was reported to be slightly improved today in a local hospital but was not as yet out of danger. Lawrence was injured in the fight in which C. N. Knight, Jr., was fatally stabbed near a night club east of Rockdale. Bill and Crump Morrison are being held in connection with the stabbing of the two men pending an examining trial. The date of the trial has not been set.

Five Bales On One Acre World Record

MABEN, Miss., Oct. 21—C. F. Peay claimed today to have grown five bales of cotton on one acre of ground a world production record. Peay owns a small farm in the area known as the Pontotoc Ridge in this northwest Mississippi hill area, and had nine acres devoted to cotton this year. Peay said he had picked 2,504 pounds of lint cotton—equivalent to five 500-pound bales worth \$750—on one acre. His total production was 14 bales.

Lillian Atkinson Will Return Home

Miss Lillian Atkinson, critically injured in the late summer at her place on the river, returned to her home from St. Edwards Hospital Saturday. She is improving and is able to walk. Miss Atkinson was injured when run over by her own car which was on an incline while she was out opening a gate. Pinned beneath the car she was rescued by neighbors who heard her cries for help. While beneath the car she calmly directed rescue efforts.

Wild Goose Is Now Tame Pet On Posival Farm Near Liberty

A wild goose winging its way to the lush lands along the Texas coast Sunday stopped over on the Frank Posival farm on Route 3 out of Cameron. Wild geese were going over in the wake of the cold norther. Adeline Posival, 12 year old daughter of Mr. and Mrs. Frank Posival feels extremely lucky that she was able to find the goose and plans to keep it and make a pet of it. Mr. Posival was in Cameron Tuesday to report the goose at his farm.

Hour Changes For Burlington Postal Service Announced

Walter G. Marek, postmaster at Burlington, has announced hour changes in the service of the post-office. As officially advised by the Post-office Department the Rural Carrier of Burlington Route 1 will leave the office each day at 8:50 a. m. This is one hour and 20 minutes earlier than the old schedule. Each patron along the route may judge the time the carrier is to arrive at their respective boxes, accordingly. Also the Department has changed the time the office is to be closed for lunch each day. The new time will be from 11:00 to 12:00 noon instead of from 12:00 to 1:00 p. m. The new schedules are now in effect.

PIONEER WOMAN HERE IS MOURNED BY CITY

Mrs. Cornelia Vogel, 95, for more than three quarters of a century, a resident of Cameron, died at her residence at 204 South College Street at 7:45 p. m. Monday, October 24. She had lived in the home on South College for 67 years and with the warmth of her personality, wit and scintillating humor, made of it a shrine where memories will live as long as friends remember her. Mrs. Vogel was born Cornelia Octavia Dannelly, daughter of early pioneers who settled in Walker county not far from the present city of Huntsville, celebrated for its early role in Texas history, among its distinguished citizens, General Sam Houston. She was born on February 11, 1854. Following the death of her father in Walker county, she came to Cameron in 1871, at the age of 17 years, to make her home with her sister, the late Mrs. Amanda Brooks who was the wife of Sam Brooks, well known pioneer resident and business man in Cameron. Mrs. Vogel was married to Benno Richard Vogel on December 27, 1881. One year after their marriage they moved to the home on South College Avenue where she continued to live, rounding out 67 years in the house, before her death. Benno Richard Vogel was an early day merchant in Cameron. He built the building now occupied by the Mitchar Auto Supply and Oldsmobile Agency at 108 South Houston Avenue. In addition to the grocery business, Mr. Vogel was a cotton buyer. He was born in Germany, came to the United States a young man and settled in Cameron where he enjoyed the distinctions to which his aristocratic German background promoted (turn to page ten)

92 YEAR OLD NATIVE TEXAS WOMAN IS DEAD

Mrs. Mary J. Garrett, 92, native of Texas, died in Cameron Wednesday, October 19 at the home of her daughter, Mrs. Dan Lunsford. Mrs. Garrett was born on September 12, 1857, in Washington County, Texas and celebrated her 92nd birthday here recently when members of her family and friends shared with her the happy, advanced milestone in her life. Mrs. Garrett was one of the oldest of the pioneers who survived in this county. She had been a resident here for years, living in the home of her daughter. Death came around 7 p. m. Funeral services were to be held at 3:30 p. m. Thursday, October 20, from the chapel of the Marek-Burns Funeral Home in Cameron by Rev. C. W. Sanders of Hearne, former pastor of the First Baptist Church in Cameron. Interment will be made in Walkers Creek cemetery, a historic burial place for many of those who knew history in the making in Milam county. Surviving are one son, Dan Garrett of Willard, New Mexico; two daughters, Mrs. Walter Mullinix of Cameron and Mrs. Dan Lunsford of this city. Four grand children and 7 great grand children survive.

TWIN BROTHERS HELD IN SATURDAY STABBING

One man was killed and another critically wounded around midnight Saturday as knife blades flashed in a fight at a beer tavern and night club one mile east of Milano on Highway 79. Still a third man was wounded in the leg by a knife cut, but not seriously. In all five men were involved in the fight. The dead are: C. N. KNIGHT, Jr., 19. The wounded are: WAYNE LAWRENCE, 30. BILL KNIGHT, brother of the dead man. Elvin Morrison and Crump Morrison, twin brothers, of Rockdale, have been charged with murder in Justice of Peace E. G. Crane's court, by Constable Ed Sexton of Precinct 4. The dead man was a trainee in the air force of the United States army and was home on leave. All the men involved in the fight are residents of Rockdale and community. Shortly after the fight the Morrison brothers were taken to the county jail (turn to page ten)

SCOUT OFFICIALS NAMED CIVIC MUSIC PROGRAM LAUNCHED YOEMEN ARE MARKING TIME

JUDGE MORRISON IS DISTRICT CHAIRMAN

Boy Scout officials for Milam County were named at a meeting of the District Executive Committee held in the court house in Cameron Tuesday night. H. H. Coffield of Rockdale, President of the Heart O' Texas Council, served as Chairman of the Committee on nomination. Other members were Lester Williams, Bert Nicholson and Dr. J. T. Richards. The following nominations were made: W. A. Morrison, District Chairman to succeed himself; Lester Williams, vice chairman; W. L. Scurlock of Rockdale, Commissioner; Rev. James McKeown of Cameron, delegate at large. The following were named Chairmen of the District Committees: Advancement, W. T. Hanes, Cameron; Camping and Activity, W. P. Hogan, Rockdale; Health and Safety, L. W. Smith, Cameron; Leadership and Training, J. E. White, Milano; Organization and Extension, Clyde Franklin of Rockdale; Cubbing, Louis G. Rinn, Rockdale; Finance, M. N. Strickler, Rockdale.

Members at large to the District Committee were named as follows: Dr. J. T. Richards, W. L. Scurlock, Don Luckey, J. B. Newton and Harold Luckey, all of Rockdale; Roy Wright, L. G. Smith, H. L. Patillo, Earl Curtis and Rev. George Duda, Cameron; Alvin Heintze, Thorndale. An interesting round table was conducted by W. Post Nobles, Scout Executive of Belton. Outlook for enlarged activities for the Boy Scout movement in Milam county and central Texas was very bright here Wednesday following the meeting.

Smithwick Is Denied Bail In Habeas Corpus Hearing

ALICE, Oct. 20—Sam Smithwick, burly ex-deputy sheriff charged with murdering a newscaster who criticized him, was denied his freedom on bond today. District Judge Paul Martineau, presiding at a brief habeas corpus hearing, ordered Smithwick back to jail at Belton, where on Monday his case will be called up for trial. He is charged with the July 29 murder of W. H. (Bill) Mason, a crusading newscaster, who had charged that Smithwick owned a tavern where prostitutes plied their trade and where liquor control laws were flouted openly. There is a strong possibility that the defense would seek a delay when the Smithwick case—transferred to Belton (Bell County) on a charge of venue—is called up Monday. Henry Taylor of Temple, one of Smithwick's three attorneys, served notice he would appeal to the Texas Court of Criminal Appeals from today's ruling. He asked, and was granted, the customary 30 days to prepare a brief for the Appellate Court, raising the likelihood of an attempt at delay.

Hearne Mother 21 Indicted In Death Of Police Chief

FRANKLIN, Oct. 24—An indictment charging murder with malice was returned Monday against a 21-year-old Hearne mother. Mrs. Lucille Wenck was indicted by a Roberson County grand jury for the murder of N. L. (Slick) Miller, 38-year-old Hearne police chief, of Oct. 7. Miller was shot to death as he attempted to investigate a report of a disturbance at an East Hearne home. Another policeman, Knox Tidwell, was with Miller at the time. He escaped the shotgun blast which killed the young chief and crawled to safety. Mrs. Wenck, mother of a 1-year-old son, is being held in county jail here without bond.

MUSIC MEMBERSHIP DRIVE IS LAUNCHED

Membership week in the Milam County Civic Music Association was formally launched here Monday night. It is the second annual program for better music. Members who assured the concerts here in 1948 are enthusiastic in their support of the membership drive this year. During the last season the Association presented here the National Male Quartette, Francine Falkon, contralto, and Jaques Abram, pianist. Under the plan a minimum of three concerts are guaranteed. The Association has plans to raise the number to 4 concerts a season. Under the membership privilege Milam county memberships are honored at other Civic Music Association programs throughout America, including the Waco Civic Music Association. The membership campaign for the second year got under way at a dinner at Cameron Country Club, for officers, division chairmen and volunteer workers. The drive extends through Saturday, October 29. After that date membership rolls will be closed for the season. Judge W. A. Morrison was toastmaster at the dinner and introduced officers of the association, Max McClaren, President, Mrs. C. G. Swift, Secretary and Miss Shirley Horstmann, Treasurer. Also Judge Morrison presented leaders of the campaign workers, Mrs. Charles Smith, Jr., Mrs. T. L. Denson, Mrs. J. L. Callaway, Mrs. Richard Bush, Mrs. Bill Burns and Mrs. H. F. Smith. Rev. George J. Duda of St. Monica's Catholic Church, gave the invocation. Rev. James McKeown, Rector All Saints Episcopal Church, first speaker of the evening, emphasized the importance of Civic Music in Cameron. George W. Fowler, representative of the National civic music organization, counseled the volunteer workers on how best to present the appeal of the Association. He stressed the importance of report meetings Wednesday 2 to 6 p. m. and Friday 2 to 8 p. m. at headquarters in Cameron Hotel lobby.

Elk hunting in Colorado above the timberline and in 22 inches of snow was the unique experience of three Cameron men who arrived home late Thursday with three elk after an almost 1000 mile drive without a prolonged stop. Friday at the Whately grocery elk meat was hanging in the big market refrigerator and W. T. Whately, Sr., was feeling about 20 years younger. The party was composed of Coy C. Arledge, Fred Lazek and W. T. Whately, Sr. It is 995 miles from the hunting lodge near Durango, Colorado to the Whately store in Cameron. In order to save their meat they drove through without a stop. The trip was made in the new Cadillac car of Mr. Arledge. Talking about the trip to the Rockies, Mr. Arledge said that the party left Cameron on October 10 and went to Durango, Colorado. From Durango, after their trip had been organized and outfitted, they went to the Tweekawayket Ranch and then 12 miles into the hunting grounds in San Juan National Park. When they reached their destination they were some 40 miles from a highway. Durango is named for the Durango Kid, famed bad man of the old west. To get to the hunting lodge pack trains made up of mules with mountain guides were provided. The party went ahead by Jeep, horseback and foot, finally reaching the site. On the way up the pack train mules, said Mr. Arledge, may have got frightened by bear, for they stampeded and it was 2 days before their clothing and camp equipment and (turn to page ten)

YOEMEN WEEK OFF IS NOT BEING WASTED

The Yoemen have a week off from their conference schedule and no game Friday. Make no mistake. They are not idle. The weather has forced them indoors but they are getting a maximum of work under the circumstances. If the weather clears they will be out on the field this week and next week, getting ready for the game with the Belton Tigers on Friday, November 4. Coach Paul Smith said to-day that the boys are whipping up their enthusiasm and begging for work. They came out of the Killeen game without injuries. Charlie Michalka who accounted for the first touchdown of the game had a slight cut over his right eye but is in top shape. When the Yoemen go to Belton on Friday night, November 4 they will renew one of the most colorful rivalries in the history of the conference. In all the long history of these two teams the games with Belton have been as hard fought as any. In the old days Belton was nearly always better than Cameron. In recent years the Tigers have not done so well. Belton has not won from Cameron in four years. Their last triumph was in 1944 when they won 12 to 7. In 1945 Cameron defeated Belton 26 to 6 and in 1946 it was a complete rout, the Yoemen taking the game in Cameron 45 to 6. The same thing happened in 1947 when the Yoemen won 40 to 6 and again in 1948 the Yoemen won 32 to 6. While the Yoemen will be favored to win again the game should be better balanced. There are those who say that Belton has a better team than Rosebud, but Rosebud beat Belton. The Belton Tigers beat Killeen by a score of 12 to 6 and Cameron defeated Killeen by a score of 20 to 6. As it looked from this corner Wednesday the Yoemen are well up on their chances to cop another title but make no mistake it is going to be a battle from here on.

DRUNK DRIVING CASE RATES INDICTMENT

Grand Jury in District Court here Thursday returned 6 bills of indictment against a total of 5 defendants. One of the indictments involves George Odie Mills of Liberty who has been charged twice with driving his car while drunk. Mills paid a fine some months ago for one offense. Recently he was arrested again and charged. When his case came before Judge Dan Tyson in county court, the judge declined to accept a plea of guilty and as provided in such cases directed that he be held for grand jury action. So far as known this is the first case to rate a grand jury indictment for drunk driving. The law provides that an indictment is returnable in the case of a second offense for driving a car while intoxicated and a prison term may be imposed. John Henry Lewis, local negro, was indicted on a burglary charge. Earl Morton of Conroe, was indicted on two counts for burglary. He was arrested in Phoenix, Arizona, following his escape from the Milam (turn to page ten)

Communists Draw Prison Terms and \$10,000 Fines

Ten of the 11 convicted Communists in New York were sentenced to 5 years in prison and fined \$10,000 each early Friday. One of the convicted Reds was given 3 years and a fine of \$10,000. The Reds were convicted on a charge they had conspired to overthrow the United States Government by force. The question, said Judge Medina, was not one of political freedom.

RUSSIAN TRADE BODY ACCUSED OF SPYING

WASHINGTON, Oct. 21—In a new crackdown on Russia, the United States government today obtained an indictment against Amtorg, official Soviet trading corporation, and six of its officers for failure to register as agents of a foreign power.

The maximum penalty for violation of this law is a \$10,000 fine and five years imprisonment.

Shortly after Attorney General McGrath announced return of indictment by a federal grand jury here, five of the Russians were arrested by FBI agents in New York City where Amtorg maintains its offices. The sixth man is in Russia.

The five arrested in New York were taken before a U. S. commissioner, who held them in \$15,000 bail pending a hearing next Wednesday on their removal to Washington.

This afternoon the acting Russian charge d'affairs, Vladimir I. Bazykin, called on Undersecretary Webb at the State department. Seven minutes later the Soviet diplomat strode out, telling reporters he had "no comment".

There have been repeated allegations in congress that Amtorg acted as an espionage agency.

The Amtorg indictment did not allege that the corporation had done anything beyond failure—and refusal on repeated demands—to register under the foreign agents registration act.

The justice department's report said that since Oct. 1, 1946 Amtorg "has collected information for and reported information to the USSR, and has distributed money and acted at the order and request and under the direction of the government of the Soviet Union and its government-controlled instrumentalities."

PONTIAC

A Product of General Motors

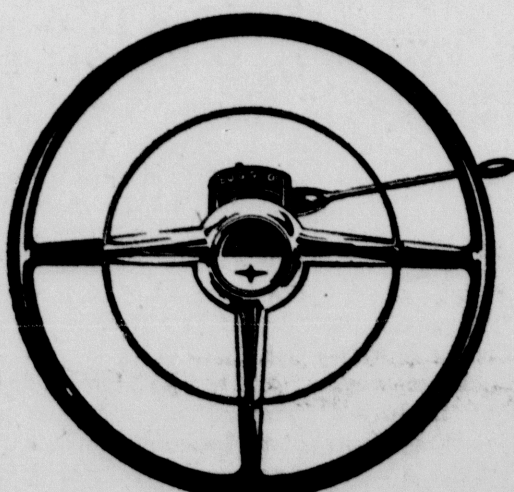

Come In—See How Little It Costs!

Where the new Pontiac is concerned, there are just two kinds of people—proud owners and ardent admirers. And for every owner there are ten admirers!

If you are still among the many who admire Pontiac from afar, we can only tell you this: We are glad you like this beautifully impressive car, but we can't help wondering what keeps you from fulfilling the wish to own one!

The chances are you are missing a lot of satisfaction and pleasure simply because you do not realize how very, very easy it is to own a Pontiac. For Pontiac, in spite of its unrivalled beauty, is a low-priced car. It is, in fact, the lowest-priced straight eight in America, lower priced by far than a great many sixes!

Come in and let us show you just how little money it takes to become a Pontiac owner. You'll be pleasantly surprised—because it's a lot less than you think!

LOWEST-PRICED CAR IN THE WORLD WITH HYDRA-MATIC DRIVE gives you unsurpassed "automatic" driving ease. No clutch pedal. No continuous shifting. You just sit back and drive! GM Hydra-Matic has proved, in millions of miles of driving, the most economical of all automatic transmissions! Optional on all models at extra cost.

Rosebud Defeats Taylor 12 to 0 In Mud Battle

TAYLOR, Oct. 21—Rosebud's Panthers established themselves as a co-favorite in district 21-A as they downed the fighting Taylor Ducks, 12-0, here tonight on a muddy grid-iron.

The game was a defensive battle most of the way with the Panthers having to fight off the Ducks a number of times as they made bids to score.

There was no threats in the first quarter although the Ducks controlled the ball on the Rosebud end of the field most of the time. The first quarter featured the pass of Moses Buzan and the running of James Tally.

After an exchange of punts, Taylor drove to Rosebuds' 25-yard line with the drive featuring a 32-yard pass from Buzan to Bill Meister. The Panthers' Richard Schigut stopped the drive as he intercepted a pass on his own 20-yard line.

Rosebud powered to the Taylor 34-yard line where they were held for

downs. Bill Davis dropped a beautiful punt out of bounds on Taylor's one foot line.

Tally punted out to speedy Tommy Sanders, who returned to the eighty-yard line for the Panthers. Davis and Sanders and Schigut tried the line and then Sanders went over standing up for the touchdown, but Davis missed the extra point just before the half ended.

Taylor took the opening kickoff to start the second half and were held for three downs and then a line try for the needed yardage was muffed when a Taylor man fumbled the ball and Rosebud recovered on the Taylor 43-yard line.

Schigut and Davis alternated carrying the ball and moved to the 18-yard line where Sanders went around his right end to score standing up.

Taylor threatened twice in the last quarter as they drove to Rosebud's 19-yard line and then to the 17, but the stout Panther line wouldn't give in.

Ruth Turner, a student at Mary Hardin Baylor College, spent the week end in Cameron visiting her parents and friends.

FARM SUPPORTS ARE VOTED WEDNESDAY

Congress ended its long session Wednesday with much of the legislation asked by President Truman still on the calendar.

Before final adjournment the congress agreed upon and passed a farm support price bill.

Shortly before adjournment the congress voted aid to European countries who will arm against Russia.

Congress today finally approved a high-level crop price support bill, but not without a cry of "Santa Claus" from some city members.

Before the house approved the measure 175 to 34, Rep. Fulton, a Republican from Pittsburgh, inquired pointedly if Saint Nick wasn't one of the authors. Rep. Coudert, another GOP member, said the 8,000,000 residents of New York City would be able to contain their enthusiasm. Coudert's district on Manhattan Island contains 298,995 people, none of them farmers.

But the final vote showed that the opponents were in a tiny minority. All seven senators who voted against the bill were Republicans.

Congressional leaders predicted that President Truman would sign the bill.

The measure makes it possible for the government to keep the props under farm prices at or near the current 90 per cent of parity level indefinitely. Parity is a price figured to give the farmer a fair purchasing power when he turns his crops into cash and buys things at the store.

It would be technically possible under the bill for the Agriculture department to reduce price supports next year for all but a few major commodities, but the department also has the option of keeping them up or in some instances actually increasing them.

For the crops which congress previously has defined as basic—cotton, wheat, corn, tobacco, rice and peanuts—the support level would have to be 90 per cent of parity next year if restrictions on planting and marketing are in effect. The range in 1951 could be 80 to 90 per cent of parity, and after that the supports could vary from 75 to 90 percent.

100 Telephones Here Out Due To Wet Cable Saturday

Southwestern Bell Telephone Company reported late Saturday morning that 100 telephones were out of commission due to a wet cable.

The failure was concentrated in the north section of the city. Linemen for the company were on the job and service was restored during the afternoon.

Mr. Carson, manager, from his Taylor office, learned of the cable trouble a bit late to get the announcement in the Daily Midget, on the press early, to assure patrons that the service would be restored at once.

Truman Pembroke is ill and among the patients in Newton Memorial Hospital for treatment.

Humble To Broadcast 3 Conference Games In Southwest Saturday

Three significant Southwest Conference games, Texas Tech's fourth 1949 meeting against a Southwest Conference opponent, and cheers from the largest crowd ever to see a conference game will come to listeners of Humble Oil & Refining Company's radio football reports this weekend.

In the championship race, there will be the SMU-Texas, TCU-Baylor and A&M-Arkansas game, while Rice is facing Texas Tech in the lone non-conference contest.

For attendance records, some 76,000 fans will jam Dallas' Cotton Bowl, where the Mustangs and the Longhorns will meet. These same two teams set the 1948 record at Austin, with a throng of 68,750.

Kern Tips and Alec Chesser will be in Dallas to describe that Texas-SMU meeting, with 25 station network taking the air at 1:50 p. m. Those stations will include: KRLD, Dallas; KTRH, Houston; KABC, San Antonio; KEYS, Corpus Christi; KR-GV, Weslaco; KTBC, Austin; KGNC, Amarillo; KRBC, Abilene; KBWD, Brownwood; KGKL, San Angelo; KBST, Big Spring; KCRS, Midland; KRRV, Sherman; KBVL, Greenville; KPLT, Paris; KSST, Sulphur Springs; KCMC, Texarkana; KMHT, Marshall; KFRO, Longview; KTRE, Lufkin; KRIG, Odessa; KIUN, Pecos; KVKM, Monahans; KVLF, Alpine and KELP, El Paso.

The important TCU-Baylor game will be broadcast from Waco by Charlie Jordan and Fred Kincaid, with air time set for 2:20 p. m. over stations WBAP-WFAA-820, Ft. Worth-Dallas; KTSB, San Antonio;

Hurry! Get Gold Medal Flour and send for your Queen Bess pattern teaspoons today!

"Kitchen-tested" is a registered trademark of General Mills.

From where I sit ... by Joe Marsh

Now They're Sitting Pretty

Squint Miller, who's working as a telephone lineman, was telling me about some birds that got into a fight with his company.

Seems a couple of woodpeckers set up housekeeping in a telephone pole. Nobody minded them living there, but they kept pecking at the wires—causing one short circuit after another.

Finally, the telephone people—who had nothing personal against the birds—just stopped up the hole where they lived. But they kept coming back. At last, the company

donated that pole to the woodpeckers and set up a brand-new one for their own use!

From where I sit, we'd all be better off if we were as tolerant with our own kind as that telephone outfit was with the woodpeckers. Let's consider the other fellow's point of view—whether it's his right to live where he wants, or to enjoy a friendly glass of temperate beer or ale when and if he pleases.

Joe Marsh

Dan Dailey and Ann Baxter Team In Big Musical At Cameron

A silent movie, vintage of 1924, furnished one of the nostalgic highlights for "You're My Everything," the Twentieth Century-Fox Technicolor musical, which opens Thursday at the Cameron theatre.

To give more realism to this old-time movie Producer Lamar Trotti and Director Walter Lang rounded up many colorful actors, whose names were by-words with movie fans of the twenties. Buster Keaton brought along the pancake hat he has worn in every picture he has made, more than 200, since buying it for three dollars back in 1922. Jack Mulhall, one of the screen's greatest lovers, returned to the set to play himself and Stuart Holmes and Charles Morton, stars of the silents, found a touch of nostalgia in their roles.

Anne Baxter, who shares starring honors in "You're My Everything" with Dan Dailey, did an impersonation of Clara Bow, the famous "It" girl, and the Twentieth Century-Fox studio was turned back 25 years for this silent movie sequence. Director Lang huddled four companies together on one stage, had orchestras playing "mood" music and swordsmen dropping off parapets into mattresses on the floor for this black and white movie set right in the middle of all the Technicolor splendor of "You're My Everything."

There were more curious visitors on the set during the filming of these silent scenes than at any time during the production of the entire picture. Lang was besieged by more than 400 studio employees who asked for roles in the silent movie.

History of Business Women's Club Here Reviewed On 25th Anniversary Founding

By DELPHYA SCOTT

The annual National Federation of Business and Professional Women's Club closed October 15, 1949, during which time 155,000 members observed the week in appropriate manner.

The Cameron Club president reviewed the news server to request the history of the local club since its organization. Time and space will allow for only a brief review, since the club was organized over a quarter of a century ago, and many valuable accomplishments have been made. At present the Club theme is, "Boost Your Town, It Boosts You." This year was the 22nd annual anniversary of the observance of the Business Women's Week.

The Cameron Club was organized after much consideration and effort on the part of those who first made up the club, with approximately 35 members, known as a "Fun Loving Club". Meetings were held once each month at the Fidelity Abstract Company Office, then owned by Misses Annie Stallworth and Lilian Atkinson. Later the club met in the front office of the Community Public Service Co. which at that time was managed by the late W. J. Watson and wife, Gladys.

In order to have permanent club rooms the members obtained the right to occupy the old grammar grade school building, to which they devoted much time, effort and expense in making the south side rooms most ideal for the club offices. In addition to the club rooms the members repaired the entire building, making quarters in the back rooms on the first floor for the care taker to live in, and later moved to the top floor, after which a many nursery was put in with competent help taking care of around 35 tots during the week, while their mothers were employed. A sewing room was also fitted up for those who could make clothing for men, women and children.

For amusement, the Club sponsored many different kinds of parties and gatherings. The most outstanding were two Broadway casts; the first being a New York cast that brought "Abies Irish Rose", which was one of the most attractive and entertaining plays to ever come to Cameron. Another New York cast presented, "The Family Upstairs". Both plays were held in the Yoe High School auditorium, with over-flowing crowds at both attractions. The money derived from these two plays enabled the club to make the repairs on the old school building and provide permanent club rooms.

The club has had the pleasure of hearing many noted speakers during the past. Just to mention a few were: Congressman, W. R. Poage, Lieut. Gov. Edgar Witt of Waco and the late Dr. J. W. Torbett of Marlin.

One of the most successful gatherings that has been held, was when the District Director of District No. 3 held their annual convention in Cameron, at the high school gymnasium, where a large gathering heard the noted speaker, Judge Sarah T. Hughes, of Dallas, who was introduced by the District Director, Miss Delphya Scott. At the meeting were other noted visitors including, Miss Kate Adell Hill, State president of Business & Professional Clubs of Texas, and Mrs. Lee Roundtree, both of Bryan, and others coming from Marlin, Temple, Austin, Waco, Taylor, Rockdale and other Texas towns.

The Cameron Club is grateful for all who have assisted in any way in promoting their plans, and for the fine co-operation they have received during the past years.

The Club was honored when the State selected one of their charter members, Miss Annie Stallworth as State Treasurer, who served in that capacity for two years.

Mr. and Mrs. Henry Tomasek of Route 1, Cameron were among the group from Milam County to attend the F. H. A. Achievement Day at the State Fair in Dallas October 12. While there they also visited in the home of Mr. and Mrs. Anton Vybiral, Jr.

"Laramie" Western At Cameron Friday And Saturday

"Laramie," the new Charles Starrett-Smile Burnette outdoor action drama, opens Friday at the Milam Theatre.

A Columbia picture, "Laramie" is set in Wyoming about 1870, when there was a strong possibility of an Indian uprising.

As a member of a government peace commission seeking to avert the pending warfare and, at the same time, to solve the mysterious murder of an important Indian chieftain, Starrett is said to supply the screen with some of its hardest-riding, fastest-shooting rough-and-tumble in recent months. Burnette, one of the most popular Western film comics around, contributes a fair share of the range rhythms in his role of traveling shoemaker, involved in a cowboy and Indians brawl very much against his will. A newcomer to the screen, one Elton Britt, also plays a prominent role in "Laramie," showing in his screen debut performance just why he is one of the most popular hillbilly songsters.

Other important members of the cast include Fred Sears and Tommy Ivo and it should be noted that "Laramie" is one of the first Starrett-Burnette Westerns in which a girl does not figure prominently. Barry Shipman penned the screen play. "Laramie" was directed by Ray Nazarro and produced for Columbia Pictures by Colbert Clark.

Mr. and Mrs. Dana Kestenbaum and Mrs. Grady Stidham spent last Friday in Dallas, where they met Mrs. John Lane Baskin from Rochester, Minn. While there they attended the State Fair. Mrs. Baskin will spend several weeks with her parents, where Dr. Baskin will join her around the middle of November for a few weeks vacation. He is with Mayo Clinic in Rochester.

**LOW RENTAL HOUSES
ARE TALKED HERE**

A housing project for Cameron on the low rental plan for families in medium and below income brackets, was discussed here Wednesday at the Chamber of Commerce, it was said by L. G. Smith, Manager.
Paul G. Bentley Company, engineers of Dallas, had a representative here, for the consultation.
Mr. Smith said a committee would be named to appear before the city council to ask that a survey and recommendation be made.
Federal funds are available. Nearly every city in the country has built house for rent on this plan. The effect has been to take families out of hovels and put them in modern units where they live under modern conditions, all at a very nominal cost.

**One Dead Four Are
Injured In Crash
On Brushy Creek
Bridge At Thorndale**

The dangerous Hill, Curve and Bridge at Brushy Creek on the Thorndale-Rockdale Highway claimed another victim early Wednesday morning at about 7 a. m., when the truck driven by Hoza Mindoz of Chicago, Illinois hit the railing of a bridge and overturned.
There were 7 people on the truck. A 12 year old Mexican girl, Marie, was killed instantly. Four others were taken to a Taylor hospital, one in a serious condition.
The truck cab was mashed flat. Some of the occupants were riding on the back of the truck, which also was loaded with beds, mattresses, clothing and other household articles.
The accident occurred at the same spot where the Continental Bus struck the bridge last year, killing one. Only a few weeks ago two other cars also failed to make the curve and overturned, injuring one seriously.—Thorndale Champion.

**LOW TEMPERATURE IS
56 DEGREES SATURDAY**

Three inches of rain had fallen in Cameron up to noon Saturday.
The measured precipitation up to 8 a. m. Saturday was two and a half inches at the government gauge operated by L. W. Smith, manager for the Community Public Service Company.
Cameron had torrid weather Friday. It was 89 degrees for a high and by Saturday morning the temperature had fallen to 56 degrees.
The sudden weather change, unexpected here, brought rains that began falling around 6 p. m. and continued intermittently through the night and far into Saturday morning.
Cameron football fans drove through a down pour getting to Killean for the game Friday night. Heavy rains fell around Rogers, Temple, south to Little River and in the area east to Cameron.
Mr. Smith said that the total for October is now 4.67.
The Forecast for Sunday morning indicated that lower temperatures would prevail. It would be in the forties in the Panhandle and north Texas might expect a high of some 60 degrees Sunday. In that case near freezing weather might prevail in the upper reaches of the state.
Mrs. Grady Walston of Hearne is among the patients in Newton Memorial Hospital.
Mr. and Mrs. Douglas Barron were week end guests of Mr. and Mrs. Sam Terry of Houston.

**34 DEGREE WEATHER
AT AMARILLO TUESDAY**

Look for a season low temperature by Wednesday morning.
Amarillo had 34 degrees Tuesday morning while freezing temperatures were threatening for northern Oklahoma.
That in brief was the prospects for Wednesday morning. After that it will begin to warm up some. Heavy rains had brought an intensity to the October change.
Skies were heavy in the Cameron area of central Texas and would continue to obscure the sun perhaps until Wednesday. The rains were about ended in all sections. Clear weather was forecast for west and north Texas.
In many sections of the state, notably at San Antonio where two deaths were reported, floods followed torrential rains. Cameron had around 4 inches over the week end.
Cameron had temperature of around 50 degrees Tuesday morning and forecast is that the weather will be colder by Wednesday morning, perhaps in the upper forties.

Franz Joseph Haydn is called the father of the symphony but his wife had so little use for his music that she cut up her husband's manuscripts and rolled them into curlers for her hair.

**Gwynn Wilson One of
Ten Beauty Finalists
At Texas University**

Miss Gwyn Wilson of Cameron is one of the twenty-five finalists in the "Ten Most Beautiful Girls" contest at the University of Texas. The contest is sponsored annually by Theta Sigma Phi, women's honorary journalism society, in connection with the campus show, "Time Staggers On," which the society presents in the spring. The contest winners will be introduced at the show.
The 25 "most beautiful" were chosen from a field of 297 entrants. Photographs of the finalists will be mailed to Movie Star John Derek, who will pick the top ten.
Miss Wilson, daughter of Mr. and Mrs. S. L. Wilson, South College, is a freshman majoring in home economics.

PROBLEM CHALLENGE TO ALL THE NATIONS

President Truman pledged American support today to any safe and effective plan to outlaw the atomic bomb.

"To assure that atomic energy will be developed to man's welfare and not to his destruction is a continuing challenge to all nations and all peoples," he declared.

The president spoke at the United Nations cornerstone laying for its permanent headquarters.

He called the cornerstone rites "an act of faith—our unshakable faith that the United Nations will succeed."

He addressed 16,000 persons at a flag-decked dead end of 42nd street on the East river.

About 750,000 New Yorkers lined Fifth avenue as he motored to the site.

Mr. Truman said control of weapons is a requisite to a peaceful

world.

"Ever since the first atomic bomb was developed," he said, "a major objective of United States policy has been a system of international control of atomic energy that would assure effective prohibition of atomic weapons, and at the same time would promote the peaceful use of atomic energy by all nations."

He reviewed work of the dead-lock U. N. atomic energy commission and endorsed again the Bernard M. Baruch plan that won majority approval but was rejected by Russia.

"This is a good plan," he said. "It is a plan that can work and, more important, it is a plan that can be effective in accomplishing its purpose. It is the only plan so far developed that would meet the technical requirement of control, that would make prohibition of atomic weapons effective, and at the same time promote the peaceful development of atomic energy on a cooperative basis."

"We support this plan and will continue to support it unless and until a better and more effective plan is put forward."

The chief point of disagreement between the Western powers and Russia on control of atomic energy has been the insistence of the West on an effective means of inspection to ensure that nations would keep their pledges to outlaw the bomb.

The Russians have rejected every proposal which contains provisions for inspection.

Mr. Truman emphasized the major differences between the nations. "The controversies which divide us go very deep," he said.

But, he declared, "no single nation can have its own way, for these are human problems, and the solution of human problems is to be found in negotiation and mutual adjustment."

The President also said that respect for human rights and promotion of economic development were requisites "to the kind of world we seek."

Mr. Truman told the luncheon gathering:

"It don't want to see another war. I am trying with everything I have to prevent another war. All I am working for is peace in the world for all the people in the world."

CARD OF THANKS

We wish to take this means of thanking the many friends both young and old in Milam County who were so kind to us during the illness and death of our father and grandfather, T. C. Fisher. The many friends who visited, brought gifts, offered assistance and for the beautiful floral offerings we are truly grateful. May God bless you all.

Mr. and Mrs. Bill Fisher
Tommy and John Lane,
Geo. N. Fisher and wife,
Wayne Stanley and Melva Ann,
Mr. and Mrs. Edward Fisher,
Mrs. J. F. Mathews and
Vickey Ann.

Robert Key of Galveston spent the past week in Cameron visiting relatives and friends.

Herald Gets Thanks For Maps Given to Schools In City

The Herald has been thanked for Texas maps given to the Ada Henderson school here.

The publisher is glad to acknowledge with appreciation thanks from three sections of the classes. One letter from Marguerite Hickman, Eighth Grade, Section C; one Margaret Angell, Eighth Grade Section C and another from Rose Marie Komar from the same section.

These maps are the 1950 calendars to be distributed by this newspaper in limited numbers. They are very useful in the school.

MARLOW NEWS

Mr. and Mrs. Billy Bickett are the happy parents of a eight pound six ounce baby daughter born at Newton Memorial Hospital October 22, 1949. The baby has been named, Patricia Sue. Both mother and baby are fine.

Miss Mary Mode, and Miss Henrietta Mode of Dallas spent the week end visiting their sister, Mrs. M. L. Webb and son at Hot Springs.

Wesley Braden, son of Mr. and Mrs. Braden spent a ten day leave in Cameron and Marlow visiting his parents and relatives. He will go to Denver, Colorado where he will attend technical supply school. He entered basic training July 1949 and has been in San Antonio.

Clayton Baker has returned home after being in St. Edwards Hospital due to an accident recently. He is improving rapidly.

5 DIE IN CRASH OF B-26 NEAR MIDLAND

MIDLAND, Oct. 23—A B-26 bomber crashed and exploded twice on a brushy ranch 20 miles southeast of here today. All five men aboard were believed killed.

The twin-engine plane was demolished. It appeared impossible that anyone could have survived except by parachuting, and Air Force officers said they didn't believe there was enough warning before the crash for a jump.

Wreckage and small parts of bodies were scattered over an area a mile square.

Biggs Air Force Base at El Paso, the craft's home field, identified the crewmen as:

Lt.-Col. Charles J. Lutz, 34 El Paso, commanding officer 2602 Tow Squadron, the pilot.

Capt. Thomas Hillmann, 39, Shreveport, La.

Capt. James R. Butler, 31, El Paso, co-pilot.

Capt. Billy H. Miller, 28, El Paso. Sgt. Robert E. Lee, 21, Biloxi, Miss.

The plane was flying from Biggs to Barksdale Air Force Base, Shreveport, La. It was on course.

Several people heard the crash but none saw it because the sky in this West Texas area was heavily overcast.

The plane was first believed to be from Biggs Field after a card bearing the name "Captain Hillmann" was found in the wreckage. Biggs

said a B-26 with Captain Hillman and four other men had checked out of there.

The base flew a crew here to investigate the crash. The crew had not reported tonight, but officers at Biggs Field said they were positive the B-26 was the plane which crashed.

Officers at the base said all the information they had received indicated the plane's engines quit suddenly and it nosed into the ground without giving the crew time to jump.

The crash occurred about 1:15 p. m., CST, on the Boone cattle ranch.

A drilling crew at a wildcat test well about a mile from the spot where the craft went down reported hearing a sputtering plane, then two explosions. They called Midland officers by car radio.

Mr. and Mrs. Barry Boone and two hands heard the two explosions from their home on the Boone ranch about four and a half miles from the scene. They jumped into a car and drove across their south pasture to the crash. They were the first to reach it.

The plane dug a hole five feet deep in the ground. An arm, a hand and one foot were the only parts of bodies officers were able to find after

searching more than an hour.

Jim Allison, publisher of the Midland Reporter-Telegram, who went to the scene, said "The biggest piece of plane that was left could have been dropped into an ordinary barrel."

The crash occurred in almost level country covered by mesquite, grass and weeds.

Pieces of parachute were found among the wreckage, leading officers to believe that none of the crew managed to jump.

The B-26 was known during World War II as the A-26. It was designed as an attack bomber and was used toward the end of the war in Europe. The late globe-circling Bill Odom flew a converted B-26 solo around the world in 1947.

Gause's "Pee Wee" Football Team Sweeps Hearne In New Victory

Eighty-five pound full back Wayne Jones scored three touchdowns, to give Gause Pee Wee football team its margin of victory in a game played Wednesday evening, October 18 at Hearne. Hubert Lange, left half accounted for one touchdown in the first three minutes of play, which was a few minutes later offset by a Hearne score. The final was 26-7 with Jones accounting for two points after touchdown by running from the two yard line.

The Gause first score came in the early moments of the first period, when Hubert Lange covered a Hearne fumble on their 25 yard line. An end run by Lange put across the touch down. Jones streaked around the right end for the extra point.

In the second quarter, Jones ran sixty yards for a score. Jones tried through the middle for an extra point and failed. The score at the half was 13-7.

The second half was all Jones. First try for extra point succeeded. A touchdown came from the midfield at the third quarter. Then Gause took over the ball on downs on the Hearne

30 and Jones, Lange, Harold, Lange and John Moore made short stubs to carry it across for the score. There was no extra point made.

Although back field brilliance, including the excellent broken field running of Jones and the defensive fight of John Moore, drew attention, the real story was the completely efficient team, work with every man doing his work.

Hearne was stopped in nearly every department of the game and only threatened momentarily with several quick moving quarter back sneaks. Both Hearne and Gause are in the first season of Pee Wee ball. This is the fourth straight win in an undefeated season for Gause, with victories against Bryan's, Bowie and Crockett schools, and against Thorndale, Gause has earned 83 points to its opponents 13.

Coach Bill Hairrell and assistant Jimmy Harris announced this week that the Pee Wee team and the junior team still have open dates, particularly for home games. Mrs. Myrtle Varner, superintendent of Gause Schools invites correspondence from local coaches for games with both teams.

Lonnie Fred Roberts of Houston recently visited in the home of his aunt, Mr. and Mrs. Henry Dreyer.

Former Baylor and Temple Grid Star Is Sonora Suicide

SONORA, Oct. 23—William Barney Hamm Jr., 24-year-old Temple man, shot himself between the eyes here early today, using the town constable's pistol.

Constable Newt Poteet and Night Watchman Sam Adams watched as Hamm's body slumped to the floor of Poteet's filling station.

Justice of the Peace George Barrow returned a verdict of suicide.

Hamm was an All-State high school football player in 1941. He later played for Baylor University.

Here's the story Poteet and Adams told Sheriff Clyde Henderson. The constable and Adams were sitting in the filling station talking. Poteet took off his pistol belt and put it inside a showcase to be more comfortable.

About 2 a. m. Hamm, who was working in Sonora with the Stanford Electric Co., walked in the door. He talked with the men a few minutes and then went on up the street.

A few minutes later Hamm returned.

He went to the showcase and picked up Poteet's pistol.

"Is this loaded?" he asked.

Before either of the men could answer he fired a shot into the floor.

"I guess it is," Hamm said, and motioned Poteet and Adams to stand to one side of the room.

"Don't bother me," he warned. "I want you to see this."

The men said Hamm pulled out his billfold and tossed it on the floor. He told them there was a telephone number in there that they could call.

Then, Poteet and Adams said, Hamm put the barrel of the pistol between his eyes and pulled the trigger.

Poteet said he immediately called Henderson and Barrow.

When Barrow looked in Hamm's billfold he found a card with the encircled number of a telephone in Temple.

Barrow called the number and Hamm's father answered.

The parents could give no reason for the suicide.

Henderson said he found that Hamm had been rooming in Sonora with three other Temple men—Moody Thomas, Kenneth Bowling and James Fife.

The woman who operated the rooming house told Henderson that all four men called their wives in Temple Friday night and talked with them. She said all four appeared happy and spent much time in discussing their trip to Temple.

Henderson said Thomas, Bowling and Fife left for Temple Saturday morning. Hamm remained in Sonora.

After the shooting Henderson went to Hamm's room to look for his clothes. He said the room was stripped of all personal belongings. The sheriff said he later found Hamm's suit case, filled with clothing, hidden in the tire room of another filling station in Sonora.

Henderson said Hamm had a wife and two children living in Temple.

The body was taken overland to Temple this morning.

Garden Club Names Committees; Plans Work For The Year

Cameron Garden Club met Thursday at the home of Mrs. Lester Williams, Mrs. Rush Thomas and Mrs. James Watson assisting as hostesses.

Pink roses and shrimp plant were placed at vantage points throughout the home in an artistic manner.

Mrs. B. F. Robinson, president, called the meeting to order, after which the Constitution and by-laws were adopted. Also during the business session the program and year book report was approved, and the president appointed the following standing committee: Civic Projects, Mesdames Ruth Rush Thomas, James Coleman, John B. Henderson, Fred Reno and Lester Williams; Horticulture, Mesdames Charlie McDermott, J. C. Martin and E. A. Flinn; Flower show, Mesdames T. L. Denson, Stanley Swift and Bill Burns; Telephone, Mrs. James Watson and Mrs. Herbert Colburn; Social, Mrs. R. D. Brown and Miss Aetna Smith.

Mrs. H. F. Smith, chairman of the program committee, presented, Mrs. E. B. Camp, who gave an interesting talk on compost.

Mr. and Mrs. John Richardson and daughter Miss Lucy Dell of Waco visited in the home of their daughter, Mr. and Mrs. J. V. Eanes and family Sunday.

Mrs. Niley Smith, Sr., is ill and a patient in St. Edwards Hospital. Her many friends wish her a speedy recovery.

Bodies of 5 Fliers Recovered From Ruins Of Bomber

EL PASO, Oct. 24—Remains of five fliers killed in the crash of a B-26 bomber have been recovered, Biggs Air Force base officers said today.

The crash occurred yesterday on a ranch 20 miles southeast of Midland. Two explosions tore the plane to bits.

Biggs field said the bodies will be sent to the following places for burial:

Lt. Col. Charles J. Lutz, 34, of El Paso, Fort Bliss national cemetery, El Paso.

Capt. James R. Butler, 31, of El Paso, New Albany national cemetery, New Albany, Ind.

Capt. Billy H. Miller, 27, of Fort Worth, to San Angelo, Texas.

Capt. Thomas M. Hillman, 31, of Grand Junction, Ia., to Grand Junction.

Sgt. Robert E. Lee, 21, of Biloxi, Miss., to Mebane, N. C.

Nan Reno, little daughter of Mr. and Mrs. Fred Reno had a tonsil operation at a Marlin Hospital Thursday of this week and is resting well.

Ladis Marek, Jr., of Southwestern University and a classmate, Hilliard Smith of Taylor spent the week end with his parents, Mr. and Mrs. Ladis Marek. They also attended the home coming game between Cameron and Taylor.

The world's largest vegetable farm is near Edinburg, Texas.

Miss Marry Alice Jackson is a surgery patient in Newton Memorial Hospital.

Society in the News

Mrs. John Henderson Hostess To Young Methodist Women

Mrs. John B. Henderson was hostess at a tea in honor of the young women of the Methodist Church, at her home on West 7th Street Wednesday afternoon, October 19.

The house was decorated with fall flowers, foliage and beautiful roses.

Mrs. Henderson greeted the guests at the door and introduced two visitors, Mrs. W. E. Horton, Jr. of Houston, who is President of the Womens work of the Texas Conference and Mrs. R. H. Monroe of Baytown, Conference Promotion Secretary.

Those present were: Mrs. R. L. Batte, Secretary of the Status of Women in the Bryan District, Mrs. R. L. Lemons, District Secretary of the Spiritual Life Cultivation, Mrs. Janie B. Rowls, president of the Womens society of Christian Service and her three circle leaders of the local church, Mrs. Roy Griffith, Mrs. D. H. Slaughter and Mrs. W. A. Bonds.

Mrs. Horton gave a talk on the womens work of the Methodist Church which was very interesting.

The hostess served Pineapple sherbet punch, sandwiches, dainty cookies and salted nuts. Mrs. Bill Burns presided at the punch service. Others assisting in the dining room were Mrs. A. R. Maddox, Mrs. R. L. Lemons and Mrs. W. A. Bonds.

Classroom Teachers In Social Meeting

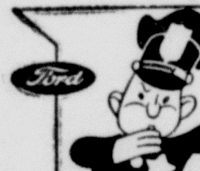

The Cameron Classroom teachers met in the library of Ada Henderson School on Tuesday evening, October 17 for the first social meeting of the year.

Autumn flowers and table favors gave a decorative touch to the tables from which a delicious turkey dinner, prepared by Mrs. Leona G. White and her committee, was enjoyed.

Mr. Layfield directed a series of laughter provoking games in which everybody took part.

Every committee did a wonderful job in providing a most enjoyable evening.

The local classroom teachers hope this year though affiliation with the State and National Associations to build a program around the theme, "Making Democracy Work", and to build a broader relationship between teachers, schools and community.

Tandy Wilkerson Is Feted On Birthday With Park Party

Tandy Wilkerson, son of Mr. and Mrs. G. A. Wilkerson celebrated his seventh birthday Wednesday, October 19, with a party at the City Park.

His friends as following attended the party: Nancy Sue Wilkerson, Sharon Vick, Lucy Cheeves, Dian Du Bois, Jolene and Jane Weid, Marilyn Hughes, Carolyn Knipp, Helen Reid, Ann Allison, Mary Kestenbaum, Nan Reno, Jean Lester, Cecil Arnold, Joe Bob Esslinger, Lee McCown, Bill Walker, David Hudson, Louis Poole, Glenn Blake, Don Maddox, Stanley Price and little Nig Moody.

The children played many games and a contest was won by Dian Du Bois and her prize was a horn.

Mrs. Wilkerson was assisted in serving Ice cream and cake by Mrs. E. L. Weid and Mrs. Fred Reno. The cake was beautifully decorated with green leaves and yellow rose buds.

Mr. and Mrs. J. C. Hovis and daughter, Marilyn Kay of Temple spent several days here this week visiting her mother, Mrs. Lula Rogers.

Mrs. Susie Matthews and other sponsors with the FFA and FHA boys and girls attended the Dallas Fair Saturday and reported a wonderful time.

Mr. and Mrs. M. F. Davis of Houston visited Dr. and Mrs. D. P. Smith over the week end.

Mrs. Buck Bonds Hostess at Bridge

The Wednesday Bridge Club met in the home of Mrs. Buck Bonds Wednesday afternoon, October 2.

Season colored Dahlias decorated the rooms of the Bond home.

Mrs. Albert Collins received the club prize and Mrs. Ed Taylor the guest prize.

The hostess served a delicious refreshment plate from the dining table.

Duncum Family In Reunion Sunday

Mrs. Isaac Duncum was hostess to a family reunion of her brothers and sisters at her home Sunday, October 23, honoring Mr. and Mrs. Jim McCall, who are visiting her from Montana.

Out of town relatives were John D. McCall of Beaumont, Mrs. Julia Hendrix of Houston, Mrs. Kate Powell, Mrs. Ray Fields and Mrs. Neal Mills and families and Mr. and Mrs. Reese Turner and son Roe, all of Austin and Mr. and Mrs. Hershel Monroe of Texas City.

Jim McCall left Milam County some 40 years ago and settled in Montana.

Mrs. Robert Riddle and daughter Bridgett, Mrs. Myrtle Riddle and Lena Riddle shopped in Temple the past Tuesday.

Richard Mesecke of Burlington was a business visitor in Cameron Friday.

Elder and Mrs. J. C. Collins and family spent the past week in the home of their daughter, Mr. and Mrs. John Petty. They also visited friends while here.

St. Rita Circle Meets Wednesday

St. Rita Circle met Wednesday at Simon-George Memorial Hall with Mrs. Leo Laake and Mrs. Ralph Michalka as hostesses.

Rev. George J. Duda gave a report on the NCCW convention held in Austin.

During the meeting the NCCW committees were named and arrangements were made for the printing and circulation. The Cameron District of the NCCW will have charge of issuing the bulletin.

The hostesses served delicious pie and coffee.

Mr. and Mrs. Stone Garner of Hillsboro visited in the home of Mr. and Mrs. H. E. Garner the past week end.

Women Volunteer To Aid Veterans Hospital Program

A meeting was held in Hotel Cameron Reception room Tuesday for the purpose of recruiting volunteer workers in the veterans administration Hospital Program.

Mrs. Abbott of Dallas, volunteer Service Consultant explained volunteer work, and Miss Margaret Dooley, Field Director was also present.

Those present from Cameron were Mesdames Wells Smith, J. H. Angell, J. V. Eanes, J. G. Mitcham, John Ryan, J. M. McLean, S. E. Brogdon, Preston Yarbrough, H. C. Tindall, L. G. Smith and Miss Alice McGehee. From Buckholts were Mesdames, C. S. Raney, J. W. Meyer, Tal Woodward and B. M. McMillion.

With the exception of two, all signed to attend classes which will be held on October 31, November 2 and 4th, at McCloskey General Hospital.

Mr. and Mrs. Joseph Matula, Mr. and Mrs. Joe Matula and Miss Clara Matula spent Sunday in Temple visiting Mr. and Mrs. Vince Matula and family.

YOEMEN WIN CLASSIC IN BIG MUD BATTLE

KILLEEN, Oct. 21 —In a classic mud battle here to-night The Yoemen played a masterful game to establish themselves as top flight contenders for a fourth straight title in District 21-A by defeating the Killeen Kangaroos 20 to 6.

Shortly before game time a heavy rain fell in this area. Cameron fans, loyal to their team, drove through a pelting rain to get to the scene of this crucial game. The stars came out and with the exception of a light sprinkle in the closing moments of the game, the weather was ideal.

The Yoemen won because they played a better brand of football. They just outsmarted the Kangaroos in every department. The field was very heavy and fast backs were on the ground about as much as they were running. When it seemed that a wet ball would bottle up the Cameron passing attack, Alton Fuchs found a way to chunk two touchdown passes to Frank Malone, the Cameron right end, and then managed passes to the ball hawker to set up another. Fuchs had the punting chore. It was the old TCU strategy, ladies and gentlemen, they let the Kangaroos have the ball and that Cameron line smacked everything down but the grand stand.

Seldom, if ever, in the history of the Yoemen teams, has a line turned in a better game. Those charges of Dick Young, paid the biggest dividend on invested time and patience of any line we have seen in years. Coach Paul Smith took one out of the books for this game. It was smart football and quarterbacking was above par. Despite the fact that the ball was slippery all through the game and the field muddy, there were only two fumbles in the entire game.

The Yoemen took a fumble on the Kangaroo 15 yard line in the first quarter after Johns, the Cameron left end had kicked off to Killeen and Barnes could not handle the wet ball and there was no run back. A few minutes later Killeen recovered a Cameron fumble on the 20 yard line, but with the line play the Kangaroos had little chance to do anything about

such an advantage.

It was Cameron's third straight conference victory. Looking down on this wet turf to-night we see some stalwart play. There is Captain Gordon Gibson at center, in on every play and muddy from head to foot. Big Melroy Eixman is holding up that Killeen line and Louis Hollas and Bill Neely, the guards are saying 'no' to anything like a suggestion that Jim Stringer & Company can filter through.

Earnest Batte and Ralph Michalka alternating at right tackle position are vying with Eixman, all district man, in this best of all games.

Now, we see Denson Ermis in clean uniform coming in off the bench and the first rattle out of the box, he smashed a whole play. There is Bob Stanislaw who has as much at stake in tradition on a Yoemen team as any man in history for it was his brother Jimmy who became one of the immortals. He's defensive end. And, big John Rice, 190 pound tackle, is in the roster too.

Alton Logan, the most improved player on the team, gets away from his half back slot to make the longest run back of the game of a Kangaroo punt. He was almost away. Little Jimmy Thompson rates a starting position in the backfield. Then Charlie Michalka, the man under the T is up to his old tricks, sneaking one over in the second quarter for the first score of the game. Little Glenn Rosenberg missed his first try but on the second touchdown just cut loose and ran it over after he had failed to control a rather wobbly ball that slipped away. On the fourth down score he laced it through the uprights to get two out of three.

Alton Fuchs paved the way for the Yoemen squad by his own rushing and by his passes to Frank Malone, two of them payoff tosses.

The Kangaroos made their first fumble on the first play after the opening kickoff and Cameron recovered, but the 'Roos retaliated by recovering a Yoemen fumble on the Cameron 20 shortly after.

But Killeen's Jack Barnes slipped and fell on a fourth-down pass try and the Kangaroos' first drive into Yoemen territory died.

The Yoe squad made their opening score at the start of the second quarter after the ball, booted by

the toe of Fuchs, went from the Killeen 40 to the 5-yard stripe.

Stringer punted out for the 'Roos and the Yoemen took it on the Kangaroo 30. Fuchs hit Malone twice to move the ball to the Kangaroo 11.

Fuchs ripped through the middle for a first and Charlie Michalka took the ball on the one-yard stripe on a quarterback sneak for the tally.

Glenn Rosenberg's try for extra point was wide.

The Kangaroos kicked off to open the second half and recovered their own kickoff on the Yoe 40.

The Kangaroos shifted from the T to the single wing and Stringer slashed through center to the Cameron 35. But Barnes' pass, intended for Everett (Mac) McQueen, was snagged by Logan, who scampered back to the Kangaroo 49.

Fuchs hit Malone twice, which moved the Yoe band to the 'Roo 20. There a roughing penalty against Killeen set the ball on the Kangaroo five.

It was just a short jump to the four for Fuchs and then he made it look good with a toss to Malone in the end zone.

Rosenberg's kick for point again was no good, but a penalty gave him a second try. He dropped a low pass from center, picked it up and scooted around left end, untouched, for the point.

A roughing penalty against the Yoemen early in the fourth period

set up a chance to score for the Kangaroos.

Stringer and Barnes alternated to move Killeen to the Cameron one-yard line.

A 15-yard penalty for illegal use of the hands on offense against the Kangaroos took the fire out of them and a desperation fourthdown pass on the 20 was incomplete.

But Fuchs kicked to Stringer, who was stopped on the Cameron 39 and the 'Roos were on the march again. Barnes took a beauty of a handoff and went wide around end. Perfect blocking took care of the Yoe secondary as he went all the way standing up.

Stringer's pass for reextra point was knocked down.

The Yoemen, who had plenty of reserves, came right back.

Eddy Lankford took Romain Stubblefield's kickoff on the Cameron 46.

He then made a first down as he scampered down to the Killeen 39.

It was easy then as Fuchs hit the right side of the line to the 'Roo 20.

He faded back and tossed a perfect pass to Malone who was all alone in the end zone.

Rosenberg kicked the extra point to make the score 20-6 for the Yoemen.

The Kangaroos made 13 first downs to Cameron's eight. Killeen completed five of 13 passes and intercepted one.

THE CAMERON HERALD

OCTOBER 27, 1949

The Yoemen made four of eight passes good and intercepted two.

The penalties were fast and furious with Killeen losing 45 yards and Cameron 55 by the penalty route.

The win made Cameron a definite co-favorite along with Rosebud for the District 21-A crown.

This was the second district loss for the 'Roos who early in the season were picked as the conference powerhouse.

Mrs. Roy Hightower is among the patients ill in St. Edwards Hospital. Her many friends wish her a speedy recovery.

Smithwick Trial Is Postponed At Belton

Trial of Sam Smithwick, Jim Wells county deputy sheriff, called in Belton District Court Monday, was continued when defense attorneys said they were unable to go to trial.

The court reset the case for December 12 and requested the lawyers to be prepared at that time to proceed with trial.

Smithwick is charged with the murder of Bill Mason, a Beeville radio commentator who criticized Smithwick's operations at a night club.

Head your Buick for our
fountain of youth

NOW's the time when Autumn calls you out for a ramble in your Buick.

Slide under the wheel and answer that call! Take a Fireball cruise through the countryside, with your heart growing lighter and the years slipping off your shoulders at each mile!

Just one reminder, though. Make sure your Buick is in top shape to keep step with you. First bring it in to us—and

let us clean summer's dust out of your air filter, flush out tired summer crankcase oil with its grit and goo, check your carburetor adjustment to see that you're getting the most powerful, most economical mixture with October's cooler, heavier atmosphere.

We can do this quickly, economically, with a sure touch. Our thorough Buick training and long Buick experience in doing each job the factory-designated way have earned us a reputation—we're the "Fountain of Youth" for Buicks.

To make it easy, we've printed a Fall Check List below. Just tear this out, drive in this week and hand it to us—and when you head out for the open road there'll be a happy smile on your face!

*Tear out this check list—
bring it in with your Buick*

Fall Checkup—Lights, brakes, tire wear, front-end alignment, oil filter unit, battery, car heater.

Adjust—Carburetor, distributor.

Clean—Air cleaner.

Flush—Crankcase, cooling system.

Estimate—Antifreeze requirements.

ALSO—Lubricare (bumper-to-bumper lubrication and inspection).

Buick care keeps Buicks best

YOEMEN HAVE 2 MORE GAMES IN NOVEMBER

The Yoemen, surprise package of District 21-A, will have a complete rest this week with a night off on October 28.

No one expects the boys and their coaches to remain entirely idle. No doubt they will be someplace where their next two opponents are playing. Killeen, defeated by Cameron 20 to 6 last Friday night in the mud at Killeen, will go to Rosebud and Belton will go to Taylor.

The Georgetown Eagles, also beaten by Cameron have an off night.

Many Cameron fans have not seen Rosebud play and the stands in that city Friday night are due to have a liberal sprinkle of local people who want to get an idea about how the teams stack up. If the field is dry it should be a fine game because Killeen has a fine team.

Right now Rosebud and Cameron are tied for first place in the District both having won three conference games with two to go.

Rosebud has to play Cameron and Killeen and Cameron has to play Rosebud and Belton. The Yoemen have to go to Belton on November 4 and to Rosebud on Armistice night, November 11. The Rosebud Panthers will have an open date on November 4 and they are apt to see the Cameron and Belton game.

Walter B. Burkeen Gets High Rating As Military Policeman

WITH THE EIGHTH ARMY IN YOKOHAMA, JAPAN, Oct. 14—SFC Walter B. Burkeen, 519th Military Police Battalion, has been found qualified in the military occupational specialty of military policeman. Acquired largely through this Army training and experience, this qualification will aid Sergeant Burkeen to obtain advancement under the new Career Plan which is to govern all promotions in enlisted and warrant grades.

Stationed in Yokohama, Japan's major port city and seat of the headquarters of the Eighth Army, Sergeant Burkeen is filling an essential job with the Army's Occupational Forces. To occupy his leisure hours, he has access to theaters, clubs, libraries, evening classes, a gymnasium, bowling alleys, volley ball and tennis courts, a swimming pool, a golf course, as well as the picturesque scenery of this ancient country.

He formerly served overseas with the 7th Infantry Division in Korea. He is the son of Mr. and Mrs. Mose M. Burkeen of Cameron.

INTRODUCING

John David Edwards little son born to Mr. and Mrs. Jimmy Edwards October 24, 1949 at the St. Edwards Hospital. The baby weighed eight pounds and six ounces. Mrs. Edwards is the former, Miss Edna Earle Wimberly. The grand parents are Mr. and Mrs. D. S. Wimberly of Cameron and Mrs. J. L. Edwards of Stephenville. The Edwards have two other children.

MRS. VOGEL—

(Continued from page one)

him in the business, social and civic life about him. He came from an early day German family of manufacturers in Leipsig.

Mrs. Vogel continued to own and operate the property on South Houston Avenue. After her husband's death on May 10, 1903 she continued to live at the old home on South College and there in the evening of yesterday she quietly passed away, in the presence of friends and relatives who knew and loved her best.

Into her long and useful life were mixed the sunshine and shadow to which all flesh is heir. That she bore up well in the heart privations incident to the loss of her husband, son and daughter, was manifested in her sunny disposition, rare good humor, sparkling personality and great intelligence. Mrs. Vogel had been a reader of The Herald for many years. Its weekly appearance at her home was an event to which she attached more than usual interest because she was tremendously interested in Cameron, its people, her friends and her church.

To Mr. and Mrs. Vogel were born a son and daughter, both now deceased. They were John Benno and Ellen.

Mrs. Vogel was a member of the Presbyterian church in Cameron. She was not a charter member because she joined later in life than some of those who were responsible for the Presbyterian congregation in this old city. Mrs. John B. McLane, niece of Mrs. Vogel, who came to the old home on South College years ago following the death of her husband, the late John B. McLane, one time Mayor of Cameron, is a charter member of the Presbyterian church in Cameron, one of two known survivors of the early day faith here. Mrs. McLane survives Mrs. Vogel and lives in the old home.

Mrs. Lula C. Gillis, widow of the late Judge Graham Gillis, long time friend of Mrs. Vogel and the family, in expressing sorrow over the passing of this pioneer woman, paid high tribute to her life, recalling the inspiring characteristics of her extraordinary personality, wit, humor and unflinching optimism. Mrs. Gillis recalled her active days with the church she loved. As a Presbyterian Mrs. Vogel was active in the church and women's societies in the church and although in recent years age prevented her taking part, was keenly alive to the progress her church was making. Mrs. Vogel was widely known for her generosity.

Among the friends who had enriched the life of the deceased are R. P. Fisher, now of Harrison, Arkansas, and his wife the late Mrs. R. P. Fisher who is buried at Paul's Valley in Oklahoma. They lived in the Vogel home for 35 years and after Mrs. Fisher's death, Mr. Fisher continued to reside there until he retired to his lands in Arkansas. Among the telegrams this morning one went to Mr. Fisher.

John Benno Vogel, the son, died on January 12, 1929 and the daughter, Ellen, died on September 12, 1903.

Funeral services were to be held at 10:30 a. m. Wednesday morning from the Chapel of the Green Funeral Home in Cameron by Dr. W. R. Hall, Minister at First Presbyterian Church. Interment will be made in Oak Hill Cemetery with the Green Funeral Home directing arrangements.

Surviving are the daughter in law, Mrs. John B. Vogel of McAlester, Oklahoma and the following grand children: Mrs. Hettie Helen Hopkins, Mrs. Hildegare, Mrs. Jack Benno Vogel and a grand daughter who was before her marriage, Betty Lou Vogel. Eight great grandchildren also survive.

Joe Meyer, Jr., son of Mr. and Mrs. Joe Meyer, Sr., had an operation at the Newton Memorial Hospital early this week and is reported improving nicely.

Miss Selina Hefti is among the patients ill in Newton Memorial Hospital.

ONE DEAD—

(Continued from page one)

rison brothers drove away. They were not arrested until around 5 p. m. Sunday when they telephoned to Sheriff Carl Black that they wished to surrender. According to information here the young men told Sheriff Black they had been on the streets in Rockdale Sunday morning and that they did not try to escape. It was said that after the fight they drove to the home of their sister near Rockdale where Elvin Morrison was treated for a light wound on his head.

C. N. Knight was slashed one time, the knife severed an artery in his neck. He died shortly after reaching the Richards Hospital and Clinic in Rockdale. He was the son of Mr. and Mrs. Clint Knight of Rockdale.

Constable Sexton said that the fight climaxed a long standing feud between the Morrison brothers and Lawrence. When the fight started, it was said here, Knight intervened in behalf of Lawrence and was killed. The Morrison brothers are said to have then attacked Lawrence with the result he was stabbed and seriously slashed and is in a critical condition in a Rockdale hospital.

Bill Knight, older brother of the dead man, was stabbed in the leg, but not seriously hurt.

County Attorney Ed Gunn was in Rockdale Monday morning. It was understood here that the Morrison Brothers had made a statement, but the contents were not revealed. Mr. Gunn was also taking evidence from others who were at the scene of the fight.

The fight occurred outside of Tom and Nat's place, a night club near Milano. It was said here that all the parties involved in the trouble were in the tavern and before the fight occurred, had left and congregated on the parking grounds near the night club.

Knight enlisted in the Air Force in 1947 and had spent sometime overseas. He was at home on leave and was due to report to Lackland Air Base in San Antonio this week.

Funeral services were to be held at 3 p. m. Monday from the Phillips & Luckey Funeral Home in Rockdale with interment in the Odd Fellows Cemetery.

A. R. Kohring of Rosebud made a business trip to Cameron Saturday.

ELK HUNTERS—

(Continued from page one)

food was recovered in full.

They hunted a day and a half. Mr. Whatley bagged the biggest elk, a cow that dressed 400 pounds. Fred Lazek got a cow also that was almost as large. Mr. Arledge went above the timber line some 13,500 feet and shot a very fine calf. Of course at that altitude there is no prospect of a hunter lagging in his meat. Pack mules were sent up and the animals brought down.

While in the Rockies snow fell. The fall had reached 22 inches when a rescue party went in and brought out all the hunters in that area. Lakes were frozen over, said Arledge. "It was a never to be forgotten experience for all of us. There high in the Rockies with the spruce forests etched in snow we spent some thrilling hours, climaxed of course with the killing of the Elk," said Arledge. "We drove back in 23 hours. We were taking no chances with our meat and we saved it. We really brought home the bacon."

GRAND JURY IN SESSION

Grand Jury in District Court here was in session Monday for the October term of court. The members were administered their oath and began their work early to-day.

Mr. and Mrs. George G. Kemp of Burkburnett, spent the week end here with his cousins, Miss Alice McGehee and Mr. and Mrs. Joe Denson. He is the son of the late, Mr. and Mrs. M. M. Kemp.

Four Injured, One Seriously In Jeep And Car Crash Here

Four persons were injured, one critically, in a car and jeep crash Saturday evening at the intersection of Highways 36 and 77 east of the river.

The injured are: Mrs. Ray Kirk of Hearne who suffered 5 broken ribs; Betty Jo Brashear, little daughter of Mr. and Mrs. J. W. Brashear of Houston, a fractured skull. Both are in Newton Memorial Hospital.

Billy Sanders who is local delivery boy for Houston Chronicle suffered cuts on the face and was taken to St. Edwards Hospital. Mr. and Mrs. Brashear were slightly injured.

Patrolman Jack Higinbotham who investigated the accident said Mr. Kirk told him that Sanders was driving north on Highway 77 and out to the intersection and that he turned left in an effort to avoid a crash but both cars were badly damaged.

Mr. and Mrs. Brashear and daughter of Houston, and Mr. and Mrs. Kirk, were spending a week here with relatives and were on their way to Rockdale.

CARD OF THANKS

We wish to express our thanks for your kind expressions of sympathy shown us during the illness and death of our dear mother, Mrs. A. S. Dodson. It was deeply appreciated and is gratefully acknowledged.

Mr. and Mrs. Eddie Dodson.

Mr. and Mrs. Nolan Dodson.

Mr. and Mrs. Neal Dodson.

DRUNK DRIVING—

(Continued from page one)

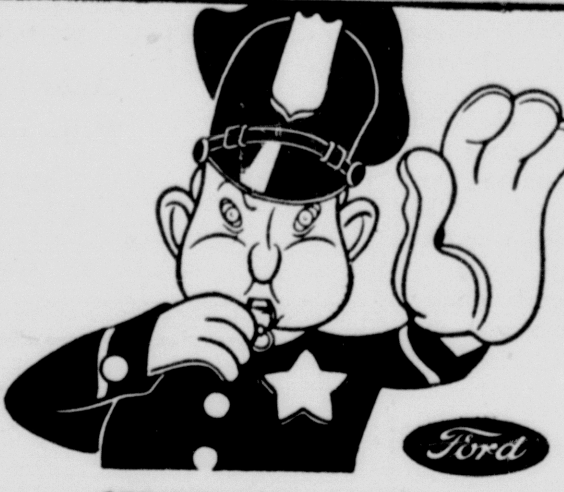

county jail and is being returned here for trial. Morton has served previous terms in Texas prison.

Trudo Wilcox, young Dallas white man, was indicted for burglary. He has been returned to Dallas county where he is wanted on a similar charge. He will be returned here later for trial.

Donald Eugene Brantley of Bell county, had a flare for adventure that finally led him into trouble. As the story was related here Friday he craved a wilderness trip in the pioneer sense. He premeditated a boat on the Lampasas river in Bell county and set off on a voyage down stream. He moved into the channel of Little River at the confluence of the Leon and the Lampasas and made his way south of Rogers. After several days Brantley ran short of rations and killed a yearling. He took a hind quarter and was doing very well by himself, leaving with the meat and making his way back up the river, until someone detected what he had done. Later he is said to have entered a home in Bell county and took a rifle and other things.

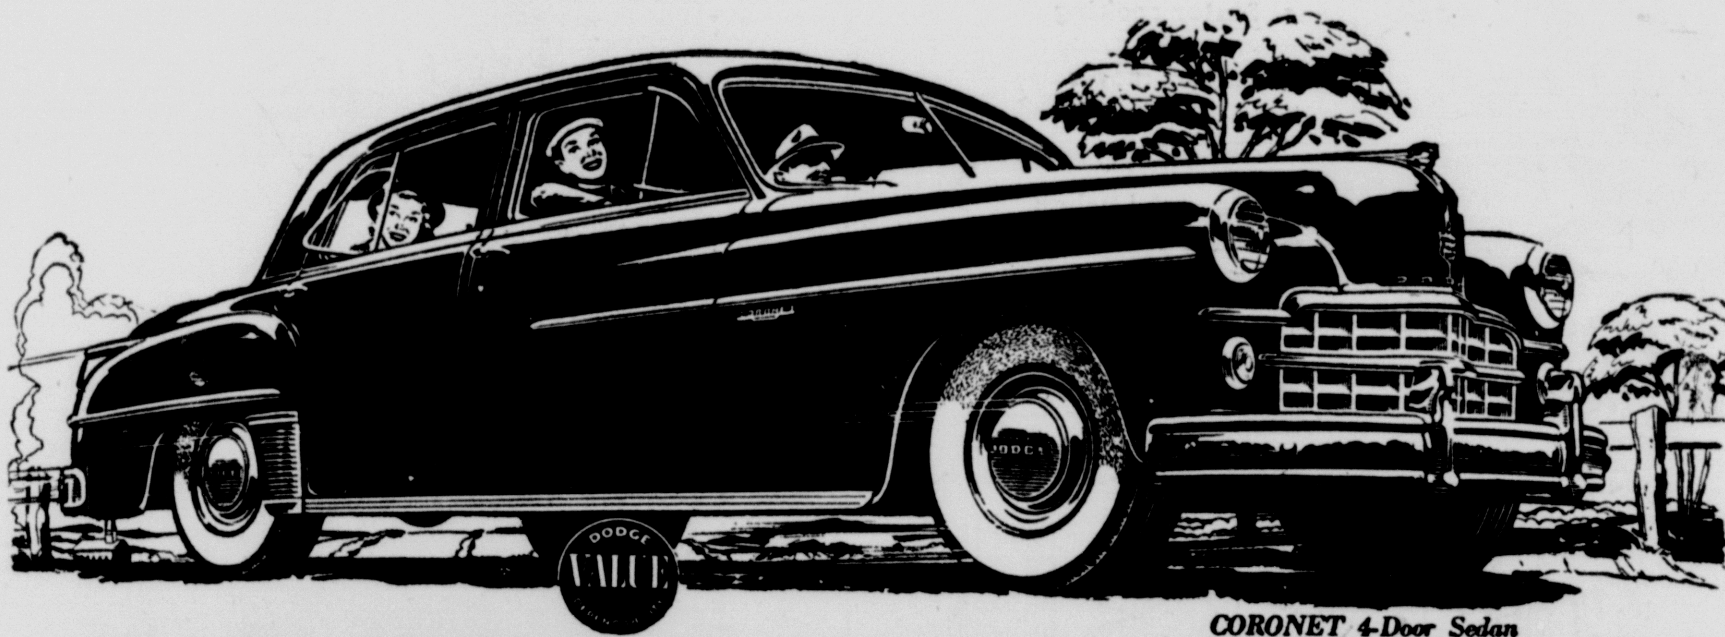

Miss Alma Boedeker has returned to her home in Highland Park, Illinois after spending several weeks with her parents, Mr. and Mrs. Emil Boedeker.

Mr. and Mrs. Elmer Floyd and Mr. and Mrs. Hank Henderson of Lake Jackson and Lieut. Shirley Hickman of Waco attended the funeral of Mrs. Mary Garrett Thursday.
